**NOTICE OF WITHDRAWAL OF MOTION [ECF 42]**

---

The United States submits this Notice of Withdrawal of the prior filed Motion to Revoke Bond [ECF 42].

The United States raised two bases for revocation in the motion. As to the first basis involving patient A.J., upon review of evidence obtained after filing of the motion, the government has determined that the information provided by A.J. is not credible and does not support the relief sought in the motion. As to the second basis involving the appointment reminder notifications, the parties have consulted and reached an agreement as to how to address this issue on an ongoing basis without seeking revocation of bond at this time.

Therefore, there is currently no basis upon which to proceed regarding the motion.

Respectfully submitted,

Joseph C. Murphy, Jr.  
Interim United States Attorney
